Case No. 3:18-cv-04865-EMC (N.D. Cal.)

Plaintiff's Objections to Defendants' Witness and Exhibit List for Day 2 - January 18, 2023

Witness	Trial Exhibit No.	Objection	Response	Ruling
		Exhibit 986 is a thread of tweets by Mr. Musk dated August 10, 2018 to August 11, 2018 relating to "Short shorts coming soon to Tesla merch". Whether "Short shorts" were coming soon to Tesla merch is irrelevant to the going private transaction, and therefore inadmissible under 402.		
Elon Musk	989	Fed. R. Evid. 401, 402.  Exhibit 986 is a thread of tweets by Mr. Musk dated August 10, 2018 to August 11, 2018 relating to "Short shorts coming soon to Tesla merch". Whether "Short shorts" were coming soon to Tesla merch is irrelevant to the going private transaction, and therefore inadmissible under 402.		
Elon Musk	990	Fed. R. Evid. 106, 401, 402, 403, 404. .  In Exhibit 990, Mr. Musk responds to a tweet from Fred Lambert about the design of Tesla's cars. He tweets, "primary focus must remain on making affordable version of Model 3 & brining Y to market." This thread discussing Tesla's design and Mr. Musk's desire to make Tesla's cars affordable has nothing to do with the going

		<p>private transaction or events at issue in this case and does not have the tendency to make a fact more or less probable. It is therefore irrelevant and not admissible.</p> <p>Furthermore, this is improper character evidence and is highly prejudicial to Plaintiff and risks confusion to the jury.</p> <p>This exhibit is also incomplete as the first tweet does include the time.</p>		
Elon Musk	991	<p>Fed. R. Evid. 106, 401, 402.</p> <p>Exhibit 991 contains a series of tweets from Mr. Musk. The exhibit notes that "The original tweets were deleted by author," so it is impossible to determine the subject that Mr. Musk is replying to. Mr. Musk's first tweet indicates that the subject is the design of Tesla's cars. Whatever the subject might be, this thread has nothing to do with the going private transaction or events at issue in this case and does not have the tendency to make a fact more or less probable. It is therefore irrelevant and not admissible.</p>

Viecha	145	Fed. R. Evid. 801.  Exhibit 145 is an email chain between Mr. Viecha and Mr. Hogner regarding whether the "tweets are real". Defendants use this email to show the truth of the matter asserted, that Mr. Hogner wanted to know whether the tweets were real, to show that the "Tweets are official", and/or that Mr. Hogner was "Congratulat[ing]" Tesla for going private. It is therefore hearsay under 801.		
Viecha	161	No objection.		
Viecha	171	No objection.		
Viecha	336	Fed. R. Evid. 801, 805.  Exhibit 336 is an August 14, 2018 email from Mr. Viecha to Mr. Musk regarding "UBS wealth management[']s" ability to invest in a private Tesla and noting "they would like to start a dialogue." Defendants use this email for the truth of the matter asserted that UBS was able and wanted to invest billions in a private Tesla. The email to Mr. Musk is hearsay and the summary of the conversation with UBS is hearsay within hearsay.
